OH MY BIG PLAN LIFESTYLE EDITION

Oh My Big Plan Lifestyle is a set of accessories that will help you to get to know yourself better and go after your dreams. It will facilitate a conscious dialogue with the main person in your life – yourself.

PLANNER*

Your personal workbook for self-fulfillment and reaching your dreams!

You don't need to carry it everywhere with you. Its place is on the bedside table. Its time is a leisurely morning or a long-awaited evening. A time when you are alone with your own thoughts.

With Oh My Big Lifestyle Plan you will:

- Learn to phrase your personal mission and vision. You will recognize your life's purpose.
- Dream big with purpose and turn those dreams into goals and real achievable plans.
- Discover your limitations and transform them into your strengths.
- Analyze which areas of your life need special attention and bring them into balance.
- Set career and financial goals and gain a clear understanding of how to achieve them.
- Plan your big and small victories and celebrate them!

Oh My Big Plan Lifestyle is more than a planner. This is your workbook with step-by-step instructions, a place where you fill its pages each day with inspiring thoughts. This is a workbook that will help you have a conscious dialogue with the main person in your life – your beautifully unique self.

OH MY BIG PLAN BUSINESS EDITION

Oh My Big Plan Business is a set of accessories that will help you plan your transformation and growth. You will turn business ideas into goals and build step-by-step instructions. Together we'll achieve results and we'll be proud of your progress.

PLANNER*

Your friend, assistant, and mentor for the upcoming year.

It's not just a planner! Here you can strategize your big changes, milestones, and personal growth steps. It's time to make those dreams into realities. It's time to carry out your business ideas, goals, and victories – be it for your department, coffee shop, or Instagram store.

In addition, you will learn the secrets of our team: what we read for self-development and what life hacks we use at work to be more productive every day. We will share where we get our inspiration and strength to do more. We will let you in on our examples of how to make it cool and how to do it out of great love!

The planner is undated and is designed for 12 months. Here's a look inside:

- Sections for setting goals – quarterly and monthly.
- Sections for daily to-do lists.
- Space for creative writing.
- A selection of life hacks and books recommended by our team.
- Best apps for planning and daily work.
- And obviously – pages with words of daily motivation that you can't miss out on!

It's a planner for all occasions and every deadline. You will learn to keep up with the steady pace of success and get rid of "Damn! I forgot!"

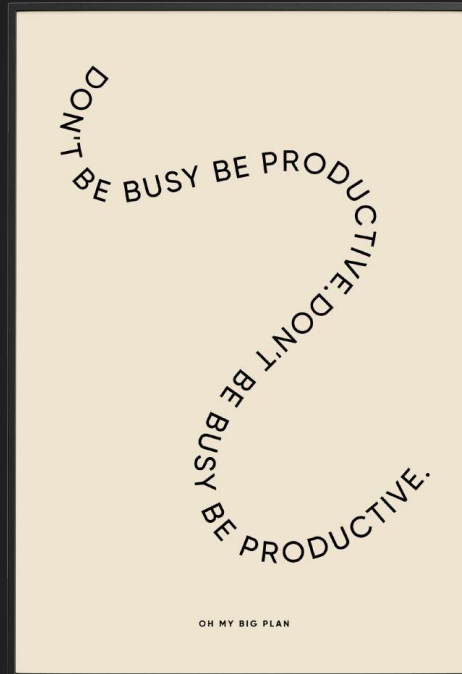

Fill it in. And follow the plan!

OH MY BIG PLAN EDUCATION EDITION

Oh My Big Plan Education is your study buddy that will help you implement knowledge in real life and embark on the journey of reaching your better self.

PLANNER*

Meet your main assistant in learning and implementing knowledge!

Oh My Big Plan Education is a planner for all your courses, lectures, and workshops. We made it as a binder so that you can easily adjust the planner to your own needs.

With Oh My Big Plan Education you will be able to:

- Plan your learning consciously, based on your goals and available resources.
- Set up expectations from each training and analyze the results.
- Keep notes of lectures in a comfortable-for-you manner.
- Do homework.
- Keep favorite sources of information and recommendations from speakers in one place.
- Improve the learning process and better absorb information.
- Draw up an action plan to turn knowledge into practice.

How to use the planner-designer:

- Highlight each training with special START and FINISH separators.

We have made START dividers of two types: for personal growth and professional development courses. Use them to navigate the types of your learning.

- Move the sheets as you see fit.

Decide for yourself how many worksheets there will be each time, and if necessary, add worksheets for homework. When you run out of sheets, just buy a new stack of them and continue your beautiful journey of self-improvement.

OH MY BIG PLAN UKRAINE INSPIRED

Oh My Big Plan Ukraine Inspired is a set of accessories for everyone who wants to confess their love for Ukraine. It's full of vibes from a country that is near and dear to our hearts.

PLANNER*

Your main guide for Ukrainian vibes.

While we were creating this planner, our inspiration was, of course, Ukraine. Ukraine is beautiful and bold. It's modern and authentic. Ukraine is creative and diverse. She has bold plans and acts boldly. There aren't enough words on the planet to describe our love for Ukraine. You can't describe true love with words. This planner is full of profound emotions and experiences for all lovers of Ukraine. We hope that the free and creative spirit of our country will inspire you to have even more freedom in your own thoughts, dreams, and plans!

In this planner you will find:

- Pages for your goals and planning.
- Pages for your notes.
- Inspirational pages with Ukrainian vibes.
- Pages with quotes from Ukrainian artists.
- Lists that will help you dive into Ukrainian culture and experience it.
- An alphabet of meaningful Ukrainian symbols.
- QR codes for playlists, wallpapers, and digital stickers for Instagram Stories.
- A postcard to keep or give to a friend.

So dream. Get inspired. Set goals. Plan steps to achieve them. Reflect. Write down ideas. Create lists. Save your favorite quotes.

Read, listen, and explore all things Ukrainian! It's worth it.

GIRLS CAN BE HEROES TOO

Girls can be heroes too is a set of accessories that channels independence, the guts to start, and the perseverance to keep going. It's your partner to take the risk – try out the new thing, make change happen and shape your reality.

NOTEBOOK*

A blank notebook that will help you start anew any time you want. Visualize big and small dreams, draw sketches and take notes, write down everything that is the most important or even the things that don't matter – because it's up to you to decide!

176 dotted pages are perfect for marking out space for plans or just to keep track of your notes.

The sheets for notebooks are made from recycled paper, and the binding allows you to open it 180 degrees – easily and freely.

Open it. Try it. Start!

OH MY BABY BOOK

Oh My Baby Book is the first book of a baby's life and it's filled in by the parents. It has enough pages for the most touching moments – from birth to the age of 5. Just imagine sharing all those important notes and early photos with your child as an adult. How better to show them how much you've loved them from day one?

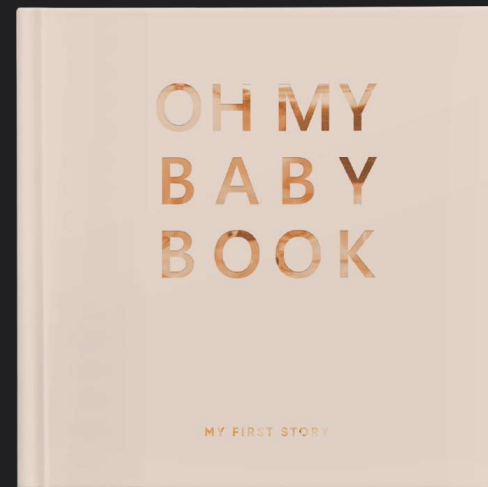

OH MY BABY BOOK*

Within this book you can record the journey of your baby:

Save the ultrasound picture, the first cut strand of hair, and the photos taken during pregnancy. Write a letter to your child in the future. And make an imprint of your child's feet. All great and small achievements, important dates, first words, steps, and all the most valuable memories will remain on the pages of Oh My Baby Book forever.

In the book's pages, you will have 53 spots for your special photos, as well as unique postcards with numbers – from 1 to 11 months and from 1 to 5 years, so that you can capture the important moments of your baby growing. And of course, we've added detailed instructions with tips for filling out your book.

The book comes in a gift box and is a simple design, so it will be relevant in 5 or in 50 years. Oh My Baby Book is the best gift to give new parents for a birthday, christening, or baby shower. Give it to your best friend, yourself, or maybe both!
